

A Century of Progress with Pride

Date: April 22 2013

As a result of the flooding of April 18, 2013, Governor Pat Quinn and Cook County Board President Toni Preckwinkle have issued a disaster proclamation for Cook County. Based on this proclamation, the availability of private assistance to homeowners suffering from flood damage may be applicable.

In order to seek reimbursement for damages, although no reimbursement is guaranteed, FEMA is requesting completion of Individual Assistance Initial Damage Assessment forms. In order to obtain these forms, you may pick one up at the Berwyn Police Department beginning Tuesday, April 23rd at Noon through 8 PM and each successive day thereafter (noon to 8 PM) through Thursday April 25th at 8 PM. A duty desk will be staffed at the Police Department at the following times as indicated above. The duty desk phone number is (708) 749-6565.

All forms must be completely filled out and returned to the duty desk at the Police Department no later than the 8 PM deadline April 25th. You can also obtain this form by visiting the City of Berwyn website at

www.berwyn-il.gov

Please be aware that this is a firm deadline established by Cook County and at this time, no variances can be granted.

The forms may be accessed electronically here:
